Speaker Suggestions

You have seven 20 minute sessions to present a brief overview of your career.

Feel free to bring any props, hand-outs, or games to include in your teaching sessions. You may also bring any promotional pieces from your company to hand-out to the students.

- Education (schooling, GPA, qualifications)
 - Licensing
 - Relevant high school/trade school/college courses
- Duties / Examples of work day (hours/working environment)
- Salary range
- What is rewarding, motivating, interesting.
- What is unpleasant, dull, discouraging?
- What does an employer look for in an applicant?

The above suggestions were recommended by previous students.
Please feel free to branch out and talk about more career related topics as well.

**Thank you for attending Career Jam 2009!
You are making a great impact in the lives of these students!**
