

The Twin Cities North Chamber of Commerce would like to invite you to participate as a speaker at **Career Jam 2009** that will be held on **Thursday, December 3, 2009** at Dunwoody College of Technology. This year's event will be open to sophomores and juniors from school districts across the Metro Area.

We are currently searching for a variety of professionals in numerous occupations to volunteer their time for half a day to speak to our eager students (8:30am – 1:00pm). Students are interested in hearing about what your career entails and the education and experience required for such a career.

Speakers are responsible for giving seven - 20 minute presentations to students in groups of 15 to 30. As a speaker, Career Jam will give you a chance to **showcase your company and highlight your profession**. The list of career choices is attached. Some suggested topics to help in your preparation and the proposed schedule for the day are attached as well. A complimentary light breakfast and lunch will be available for all speakers courtesy of Dunwoody College of Technology.

We are excited about this year's event and hope that you will be able to participate. The success of the event depends on volunteers like you who are willing to give their time to meet with these students. We appreciated your support in the past and look forward to seeing you again. Please share this invitation with others that may be interested in speaking.

If you have any questions, please contact the chamber office at 763-571-9781.

Sincerely,

Melissa Deming
